YEARS OF MADNESS (HARDBACK)

Literary Licensing, LLC, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. WILLIAM E. WOODWARD Tears of Madness FOUNDED 1838 G. P. Putnam s Sons New York Foreword IT HAS not been my intention, in writing this book, to set forth, a complete detailed history of the Civil War, for that has already been done many times by competent historians. What I have had in mind, in writing the book, is to reveal the utter and cruel absurdity of the war, and to show h. 6w it could have been avoided without loss to any American citizen. There is hardly anything in modern history that was so abso lutely foolish as this War Between the States. Moreover, even after the war began there were numerous occasions when it might have been ended with great satisfaction to both sides. But these occasions were neglected, or rejected with scorn from both opponents in the desperate, costly, and bloody struggle. W. E. WOODWABJ My husband was forty-six years old before he began to write professionally. Until then he had been in the advertising busi ness and banking. These he had approached in the spirit of highhanded, but concealed comedy, and his favorite character in Shakespeare during that time was, significantly, Falstaff. In the same spirit of lively comedy he wrote his first three books all of which are now, I regret to say, out of print the novels, Bunk, Lottery, and Bread and Circuses. ll MU. J V - Years of Madriess But when the darker clouds of the late twenties, the failure of the Socialist dreams, the depression and tightening of life fell upon us all, he turned to history and biography. These he never approached in his earlier spirit of mockery. He had...
