A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Become an Unstoppable Force with E-mail If you have a business or brand that you want to bring to the light, then this is the book for you. In "Hack E-mail," I share my best strategies for turning e-mail into a marketing weapon. From fashion companies in Toronto to skin care lines in Malta, business owners have paid me thousands to generate leads for their business through cold e-mail. This stuff works. The best part is, the things I've done with e-mail, anyone can do! In this book, I lay out everything I've learned, and share my best strategies and most valuable techniques to get a response from someone and finally get the results you seek. Among other things, you will learn: * - How to create positive NLP "anchors" in your e-mails - so that people welcome correspondence from you (pages 26 - 27) - 7 mistakes of horrible e-mail outreach and how to fix them (page 18) - How to name drop your way to the top (page 31) - How to occupy the moral high ground, and enchant people with your story (pages 28 - 30) - What to do if someone doesn't respond -...
